Minors 17 and under must be accompanied by a guardian.

**Family package can also be 1 adult with 3 children.

About Starbelly Campground:

Starbelly Jam Music Festival offers primitive camping next to our festival site. Where it's not only camping, it's a chance to immerse yourself in the vibrant community of Starbelly Jam, where self

expression and individuality reign supreme! We have a General Camping area and a larger unit section for RV's, bus', trailers etc., as well as a Family Friendly Zone, which offers a serene escape for those who prefer a more tranquil atmosphere amidst the festival buzz. There's a spot for everyone to call home! The family area is available on a first come first served basis and is intended to create a gentle mellow space for our families. Where we can't promise absolute silence, with hundreds of excited campers, we do recommend bringing ear plugs, a cheap and easy solution for all ages. Toilets and a non potable water station are provided. A footbridge conveniently links the campground to the festival site, just a short stroll away. Remember, safety first: the campground crosswalk isn't official, and pedestrians do not have the right of way, so please exercise caution when crossing.

Please note: THERE IS NO CAMPING AT THE CRAWFORD BAY BEACH, THE FESTIVAL PARKING AREA, OR THE "BACK 40" OF THE FESTIVAL CAMPGROUND.

Participant Responsibilities:

Get ready to camp, groove, and make memories under the stars at Starbelly Jam campground. We want everyone to have a blast, so let's make sure we are all on the same page. Here's the lowdown on what you need to know as a festival and campground participant. By joining us at Starbelly Jam Music Festival and its campground, you're signing up to abide by these guidelines.

Remember, breaking the rules could mean getting the boot without a refund, so let's keep the good vibes flowing and the party going.

- Within the campground, minors aged 17 years or younger, must be accompanied and supervised by a parent or guardian at all times. Each adult can be responsible for up to four minors, and they will be held accountable for the minors' actions. If you're a guardian of an underaged camper you must be with them in order for them to receive their wristband.
- Starbelly Jam has a strict policy against certain items/ activities, which may be confiscated upon entry: drum kits, unauthorized generators, glass, pets, commercial vending items, illegal drugs, binge drinking devices, firearms/ weapons, fireworks and explosives. No campfires are permitted on the festival grounds. Please see the 'what not to bring' section below for a full list.
- Wristbands are your ticket to the festival grounds and camping grounds and must be worn at all times. They are non-transferable, non-exchangeable, and cannot be replaced. Tampering with, or removing your wristband will result in denial of entry.
- Open alcohol is strictly prohibited outside of your campsite. This includes the festival site, parking lots, on trails and roads, etc. Disorderly conduct, over intoxication, illegal drug use, offensive language, disregard for festival staff instructions, or disruptive behaviour, may lead to immediate eviction without refund.
- We strictly prohibit vehicle idling at all times. Not only does idling pose a significant fire risk due to dry grass touching mufflers, it also jeopardizes the health and safety of campers around your vehicle with exhaust inhalation.
- Starbelly Jam is not liable for lost, stolen, or damaged items left unattended at your

campsite. Please lock up your valuables.

General Information:

Welcome to your go-to guide for all things general info at Starbelly Jam Music Festival Campground! Let's dive into what you need to know to make the most of your camping experience:

Festival Wristbands

Remember, no festival ticket, no campground entry! Only festival participants are allowed to camp with us. If you have not purchased your camping online, you will have to go to the front gate on the festival grounds before accessing the campground. Swing by the festival's main gate to purchase your festival wristband or camping passes from our friendly staff. With that in hand, you'll be all set to get into camping and dive into the festivities.

Water Wisdom

Stay hydrated with our free, safe, and delicious drinking water available on the festival grounds. Help us cut down on plastic waste by bringing along your trusty water bottle (glass-free, please). Non-potable water is available in the camping grounds, but please remember drinking water is only accessible on the festival grounds, which closes at night. Please come prepared.

Fire-Free Zone

Let's keep it cool – fires aren't allowed anywhere in the Campground. Smokers, please keep a bucket of water within arms reach in case of accidental igniting of grass.

RV Regulations

RVs are welcome in the larger unit section of the Campground, but sorry, no hookups or sani-dumps available. Please remember to purchase your large vehicle camping pass within our campground packages. Remember, it's first-come, first-served, so plan to roll in with your crew if you want to camp together. The larger unit section of our campground does not have access to shade. Please come prepared.

Leave No Trace

At Starbelly Jam Music Festival, we're committed to respecting the Earth and leaving minimal impact on our beautiful surroundings. We wholeheartedly embrace the ethos of "Leave No Trace," a principle that guides our actions to preserve and protect the environment. Here's how you are expected to join us in our mission to keep it clean and green:

Pack Out What You Pack In:

Every item you bring into the festival grounds and campground should leave with you when you depart. Be mindful of your waste, including food scraps, packaging, personal belongings, and CIGARETTE BUTTS. Dispose of trash responsibly in designated bins and recycling stations.

Keep Your Campsite Tidy:

Your campsite is your home away from home during the festival. Take pride in maintaining its cleanliness by picking up litter, organizing your belongings, and avoiding unnecessary waste. There are bears in the area, cleaning up your campsite will limit attractants.

Respect Nature:

Treat the natural environment with reverence and care. Avoid damaging vegetation, disturbing wildlife, or altering the landscape in any way. Stay on designated paths and trails to minimize

impact on delicate ecosystems.

Reduce, Reuse, Recycle:

Prioritize sustainability by reducing your consumption, reusing items whenever possible, and recycling materials like paper, plastic, and aluminum. Look for opportunities to participate in festival initiatives aimed at minimizing waste and promoting environmental stewardship. Consider bringing reusable containers and utensils to minimize single-use plastics.

Educate and Inspire Others:

Spread the word about the importance of Leave No Trace principles among your fellow festival goers. Lead by example through your actions, and encourage others to follow suit in preserving our natural surroundings for future generations to enjoy.

By practicing Leave No Trace, we can collectively minimize our environmental footprint and foster a culture of environmental responsibility and appreciation. Let's work together to ensure that Starbelly Jam Music Festival remains a beacon of sustainability and eco-consciousness for years to come.

What not to bring:

- Fireworks, fire sticks, fire batons, fire poy, fire staffs, etc., and explosives of any nature;
- Glass (this includes food containers, beer and liquor bottles);

- Flow toys and dance props (poy, hoops, staffs, ect.)
- Fanny pack, back pack, etc. to carry around your belongings;
- Spray bottle for misting yourself and consenting pals on hot days;

First Aid and Safety Information:

Welcome to our First Aid and Safety Info Hub! We're all about keeping the good vibes rolling while ensuring everyone's well-being. Here's the lowdown on how we handle safety at Starbelly Jam Music Festival.

First Aid

For any medical concerns during festival hours, head to the Festival First Aid Post behind the main park pavilion. Our fully-qualified first aid team is on standby from Friday morning until Monday take-down. After hours, swing by either campground entrance where Professional Security and the Night Manager will be able to lead you to the help you need. If you encounter an emergency situation where someone is unconscious, keep calm, stay with them, and send someone for help. We've got an incredible team of First Aid Attendants ready to spring into action. Remember, it's always better to be safe than sorry – if in doubt, dial 911!

Safety and Security

Our Event Staff and Professional Security are on patrol to ensure everyone's having a blast in a safe environment. If you have any concerns, don't hesitate to approach them or seek out the Festival Campground Managers at the entrances. In case of a serious emergency, dial 911 immediately. While we're all about freedom and self-expression, let's play by the rules and show respect for law enforcement officers who help maintain a safe space for us all.

Community Responsibility

At Starbelly Jam Music Festival, we're all in this together. While we prioritize health and safety, we need everyone's cooperation to make it happen. Let's keep the party fun and responsible by steering clear of illegal substances and excessive drinking. Remember, if someone's causing a ruckus or posing a threat, we reserve the right to kindly show them the exit, with support from our trusty RCMP pals if needed.

Weather Watch

Mother Nature's unpredictable, but we've got your back. If there's a weather warning, our Security Director will loop in Campground Management, who'll spread the word to all festival-goers.

Safety first, folks!
